ABSTRACT

OF THE

REGULATIONS OF THE UNIVERSITY.

DEPARTMENT OF ARTS.

THE college year is divided into three terms, the *first* beginning on the 8th of September, and ending on the 24th of December; the *second* beginning on the 2d of January, and ending on the 31st of March; and the *third* beginning on the 8th of April, and ending on the 3d of July (Commencement day). The vacations are eight days at the close of the first term, seven days at the close of the second term, and about nine weeks at the close of the third term.

The students are either regularly matriculated students, who pursue the full course for the degree of Bachelor of Arts, or such as pursue the course assigned for the degree of Bachelor of Science, or any such partial course as the Faculty may sanction, for which a certificate of proficiency may be given at the close of each session.

The regular students are distributed into four classes, viz: the Senior, the Junior, the Sophomore, and the Freshman Classes.

To be admitted into the Freshman Class, a student must be at least fourteen years of age, and qualified for examination on the following subjects and authors:—

Quantity and scanning in each language.

Greek and Latin Exercises.

Ancient and Modern Geography.

English Grammar.

Arithmetic. Elementary Rules of Algebra, including Simple Equations. It is desirable, that such students as design to pursue the scientific course, should also have studied the first three books of Legendre's Geometry.

No student is admitted to advanced standing without being as fully instructed as the class to which admission is asked, in all the studies which the class has pursued.

REGULATIONS

OF THE

MEDICAL DEPARTMENT OF THE UNIVERSITY OF PENNSYLVANIA.

The Medical Department is under the immediate government of the Medical Professors, who constitute the Faculty of Medicine, subject to the Rules and Statutes of the Board of Trustees. The Faculty consists of

A Professor of the Theory and Practice of Medicine and Clinical Medicine,

A Professor of Anatomy,

A Professor of Materia Medica and Pharmacy,

A Professor of Chemistry,

A Professor of Surgery,

A Professor of Obstetrics, and the Diseases of Women and Children, and

A Professor of the Institutes of Medicine.

The Medical Faculty hold meetings for the purpose of arranging and conducting the business of their department, and for the preservation of order and decorum among the medical students.

One of the members acts as Dean, whose duty it is to keep the Minutes of the Faculty, to arrange the examination of the candidates for graduation, to conduct the business of the Faculty at their meetings, and to attend to correspondence.

The Session for the Medical Lectures begins early in October, and ends in the middle of March ensuing.

The Commencement for conferring the Degree of Doctor of Medicine, is held by a special mandamus of the Board of Trustees, early in April.

The following are the Rules in force in relation to the Degree of Doctor of Medicine:—

I. The candidate must have attained the age of twenty-one years,

have applied himself to the study of Medicine for three years, and been, during that time, the private pupil, for two years at least, of a respectable practitioner of Medicine.

II. The candidate must also have attended two complete courses of the following Lectures in this Institution:—

Theory and Practice of Medicine,
Anatomy,
Materia Medica and Pharmacy,
Chemistry,
Surgery,
Obstetrics, and the Diseases of Women and Children,
Institutes of Medicine.

III. Medical students who have attended one complete course in a respectable Medical School, where the attendance on two complete courses is necessary to a degree, where the same branches are taught as in this, and which is placed upon the *ad Eundem* of this school, are permitted to become candidates by an attendance here for one full course; the rules of graduation being in other respects observed. They are also exempted from the payment of fees upon attending a second term.

IV. The candidate must also have attended one course of Clinical Instruction in the Pennsylvania Hospital, or some other Institution approved of by the Faculty of Medicine.

V. When a candidate applies to the Dean for admission, he must exhibit his tickets to prove that the above rules have been complied with.

VI. The candidate, at the time of his application, must deliver to the Dean of the Medical Faculty a Thesis, composed by himself, on some medical subject. This thesis is referred to one of the Professors, who shall examine the candidate upon it, and make his report thereon to the Medical Faculty.

VII. When a candidate is rejected, his essay will be retained by the Medical Faculty.

VIII. The essay must be in the candidate's own handwriting, and must be written uniformly on letter paper of the same size, the alternate pages being left blank.*

* The essay should be written upon Thesis paper. This is for the purpose of convenient binding together into volumes. It is recommended to the candidate to prepare his thesis before the commencement of the lectures.

IX. Bad spelling in a Thesis, or evidences of want of literary culture, will preclude a candidate from examination for a degree.

X. A Thesis may be published by the candidate if he desire it, the permission of the Professor by whom he was examined thereon being first obtained; but no alteration shall be made in such thesis without the consent of the said Professor.

XI. The voting on the case of each candidate is by ballot. Candidates who have not been successful upon a first examination, will be permitted to have a second, when all the classes have been disposed of by the Faculty. The second examination will be conducted in full meeting of the Professors.

XII. The candidate shall pay the fees of graduation at the time of his examination, or before receiving notice of his success; his name may then be entered on the Register of passed candidates, for the purpose of being reported to the Board of Trustees and included in the mandamus for a Degree.

XIII. Candidates who have passed their examination, and in other respects complied with the regulations, are to be reported by the Dean to the Provost, who will communicate such report to the Board of Trustees, in order that, if approved of by them, their mandamus be issued for conferring the Degree.

XIV. The Degree will not be conferred upon a candidate who absents himself from the Public Commencement, except by special permission of the Medical Faculty.

XV. Graduates of Medical Schools, on the *ad Eundem* list, by attending one complete course in this Institution, and complying with the above regulations, are put upon the same footing with students who have attended two complete courses here; that is, they may present themselves as candidates for graduation;—also, if they attend a second time, the tickets will be free. Such graduates, if of five years' standing, are permitted to attend the course of Lectures, upon a general ticket of admission, free of expense, except the cost of the matriculating ticket. But this general ticket does not qualify for graduation.

LAW DEPARTMENT.

FACULTY OF LAW.

GEORGE SHARSWOOD, A.M.,
Professor of the Institutes of Law.

PETER McCALL, A.M.,
Professor of Practice, Pleading, and Evidence, at Law and in Equity.

E. SPENCER MILLER, A.M.,
Professor of the Law of Real Estate, Conveyancing, and Equity Jurisdiction.

REGULATIONS, ETC.

OF THE

LAW DEPARTMENT OF THE UNIVERSITY OF PENNSYLVANIA.

THERE are three members of the Law Faculty. Hon. George Sharswood, Dean of the Faculty, Professor of the Institutes of Law, including *inter alia*, International, Constitutional, Commercial, and Civil Law.

Peter McCall, Esq., Professor of Practice, Pleading, and Evidence at Law and in Equity.

E. Spencer Miller, Esq., Professor of Real Estate, Conveyancing, and Equity Jurisprudence.

The course consists of two years. There are two terms in each year. The first term begins on the first of October, and continues four months; the second, on the first of February, and continues four months. From the first day of June to the first of October is vacation.

Students who have attended four terms with each Professor may, upon the recommendation of the Faculty, proceed Bachelors of Law.

Students who have attended any one or two of the Professors only, may receive from each Professor certificates of proficiency.

The fee to each Professor is ten dollars for each term of four months. No matriculation fee is required.

In all cases where a student of law is desirous to attend a course, and can bring a certificate from the member of the bar with whom he is studying, that he is, for any reason which may be stated, a proper object for such indulgence, he will be allowed to attend the lectures without charge.

Each Professor has the control and regulation of his own course of instruction. All of them, however, combine examinations and moot courts with their lectures, so as to make the system as complete as possible.

The Supreme Court of Pennsylvania has, within a few months past, adopted the following general rule, giving a practical advantage to those who obtain a degree from this department:—

"Any person who has been duly graduated as Bachelor of Laws by any College or University of this Commonwealth, duly incorporated and authorized by law so to graduate, and who has received a diploma, or proper certificate of such graduation, and who has also been admitted to practice as an attorney by any Court of Common Pleas or District Court of this Commonwealth, shall be forthwith admitted to practice as an attorney of this court.
